

Expression of Interest

Stage 1 Application Form to the Communities' Choice PB Fund

Introduction to the Communities' Choice Fund

Communities' Choice aims to empower local communities by giving them the opportunity to decide how public funds are allocated to the projects that matter most to them. Local **People Committees**, made up of residents from each community, will oversee the delivery of projects within their area.

The Process:

Upon submission of your Expression of Interest (EOI) form (Part 1), the People Committees will assess your application and **may** invite you to complete the Part 2 form, which will ask for more detailed information, including a budget breakdown. Both Part 1 and Part 2 must be submitted for your application to progress to the final assessment and public vote.

Guidance:

Please ensure all sections of this form are completed with clear and comprehensive information, as this will give you the best chance of being invited to complete Part 2 of the application for the **Communities' Choice Torfaen Participatory Budgeting (PB) Fund**. We strongly encourage you to read the **Our Priorities Report & Application Guidance** documents before completing your application. These will give you an overview of the types of initiatives we aim to fund, in line with the priorities identified by local community members.

Please note that if you are submitting a cross-area application, you may apply for a maximum of £10,000 across the three Communities' Choice areas.
